xyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: //Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason	Not previous given
iection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: //Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason an Unrecognised Barcode	Not previous given
iection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: //Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason an Unrecognised Barcode ef/Carer Administration	Not previous given
iection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: //Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason an Unrecognised Barcode ef/Carer Administration	Not previous given
iection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason an Unrecognised Barcode elf/Carer Administration ontinuous/Titratable	Not previous given
igetion - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/Shortness of breath -Start: /Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason ran Unrecognised Barcode elf/Carer Administration ontinuous/Titratable idazolam (Additive for Infusion) 15 mg	Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho AcyCODONE are Admin Reason ran Unrecognised Barcode elf/Carer Administration ontinuous/Titratable a 2 dose (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 0.5 mg	Not previous given
igetion - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason an Unrecognised Barcode eff/Carer Administration ontinuous/Titratable idazolam (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf	Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho AcyCODONE are Admin Reason an Unrecognised Barcode elf/Carer Administration ontinuous/Titratable alignmention on the second sec	Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho AcyCODONE are Admin Reason an Unrecognised Barcode elf/Carer Administration ontinuous/Titratable idazolam (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf yringe Pump MADE up to: 22 mL jection - SubCutaneous - One Dose Only -Rate:	Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: //Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho AcyCODONE are Admin Reason an Unrecognised Barcode Af/Carer Administration ontinuous/Titratable (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf yringe Pump MADE up to: 22 mL jection - SubCutaneous - One Dose Only -Rate: 92 mL/hr -Infuse over: 23.9 hour -Start: 2/Feb/16 16:44:00 CMT	Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason an Unrecognised Barcode elf/Carer Administration ontinuous/Titratable are idazolam (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf yringe Pump MADE up to: 22 mL jection - SubCutaneous - One Dose Only -Rate: 92 mL/hr -Infuse over: 23.9 hour -Start: 7/Feb/16 16:44:00 GMT are a 30ml BD Plastinak syringe. Please note t	Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho AcyCODONE are Admin Reason an Unrecognised Barcode an Unrecog	Not previous given Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason ran Unrecognised Barcode elf/Carer Administration ontinuous/Titratable a idazolam (Additive for Infusion) 15 mg Ifentanil (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf yringe Pump MADE up to: 22 mL jection - SubCutaneous - One Dose Only -Rate: 92 mL/hr -Infuse over: 23.9 hour -Start: 7/Feb/16 16:44:00 GMT se a 30ml BD Plastipak syringe. Please note t dministration Information dazolam	Not previous given Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: 7/Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho kyCODONE are Admin Reason an Unrecognised Barcode elf/Carer Administration ontinuous/Titratable a idazolam (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf yringe Pump MADE up to: 22 mL jection - SubCutaneous - One Dose Only -Rate: 92 mL/hr -Infuse over: 23.9 hour -Start: 7/Feb/16 16:44:00 GMT se a 30ml BD Plastipak syringe. Please note t dministration Information dazolam	Not previous given Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: //Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho AcyCODONE are Admin Reason an Unrecognised Barcode elf/Carer Administration ontinuous/Titratable a idazolam (Additive for Infusion) 15 mg fentanil (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf yringe Pump MADE up to: 22 mL jection - SubCutaneous - One Dose Only -Rate: 92 mL/hr -Infuse over: 23.9 hour -Start: //Feb/16 16:44:00 GMT be a 30ml BD Plastipak syringe. Please note t dministration Information dazolam	Not previous given Not previous given
AcyCODONE jection - subCutaneous - *CD* -Dose: 2.5 mg - very Hour PRN for OTHER: for Pain eakthrough/ Shortness of breath -Start: //Feb/16 17:32:00 GMT ax 2 doses in 4 hours or 6 in 24 hours, witho AcyCODONE are Admin Reason an Unrecognised Barcode eff/Carer Administration ontinuous/Titratable fieldazolam (Additive for Infusion) 15 mg idazolam (Additive for Infusion) 0.5 mg yoscine butylbromide (Additive for Inf yringe Pump MADE up to: 22 mL jection - SubCutaneous - One Dose Only -Rate: 92 mL/hr -Infuse over: 23.9 hour -Start: //Feb/16 16:44:00 GMT are a 30ml BD Plastipak syringe. Please note t dministration Information dazolam fentanil yoscine butylbromide	Not previous given

Please contact Palliative Care Team on x3311 or bleep 6508 9-5pm 7 days a week.

(support also available from iCLIP champions and on call pharmacist)
